# We are Called to Preach the Word

2 Timothy 4:1-8

What message does Paul want ringing in Timothy's ears?  
When you speak up for you God it helps you to hang tough.

*"Preach always ... and when necessary use words."*  
Quote attributed to St. Francis of Assisi

- Matthew 28:18-20
- 1 Peter 2:9-10

What do you feel is important? What are you passionate about?  
What do you preach? If you are owned by the Bible – It should be what you preach the loudest. It is during the hard times that we should preach because at those times it is more likely to be heard.

We have got to preach because:

The \_\_\_\_\_:

(vs 3-5)

The \_\_\_\_\_:

(vs 6-8)

- Who will take my place?
- What will my final words be?

Final Thought (was a beginning thought):

Gradually, we restart our programs. The Ladies' Prayer Breakfast on Tuesday mornings has restarted. The Wednesday night Bible Study resumes June 3<sup>rd</sup> in the church parlor at 6:30 pm in the study of Mark's gospel. Sunday School and Children's Church resume today, June 7<sup>th</sup>. The Butterfield/Clark Small Group that meets on Tuesdays at 2:00pm in the Parlor resumes June 10. Soul Sisters begins again Thursday June 4 at 6:30 pm in the Fellowship Hall. Please join any of these for spiritual nourishment.

## Summer Food Distribution Program Begins Monday June 8.

First Christian has joined in helping the Osage Prairie YMCA and three area churches in distributing food to people in our community. The program was being administered through the public schools; however, the pandemic altered plans. If you would like to help on Monday, Wednesday or Friday from about 10:30-12:30, please connect with Terri Ridenour or Pastor Bill. Details of the program are listed in the May 31 bulletin.

The Youth Garage Sale, held May 22-23 in the Fellowship Hall was a huge success! Becky and Kenny Butterfield and their helpers earned around \$2200 for youth programs. Great Job!!!

The flower beds on both the east and west sides of the main building have been re-freshed and they look wonderful! Thank you Charlotte Buerge for your hard work!
